Columbus, Ohio, Sept. 30.—The world's record at trotting and the sale of Uhlen, 2:02 1/4, for a reported price of \$35,000 were the sensational developments of a grand circuit race yesterday that ended early with but five heats. Native Bell, the Moko filly, made good the promise issued for her by stepping the second mile of the Horse Review two-year-old futurity in 2:12 1/4. ### BOSTON RED SOX DID NOT STOP DETROIT

The Tigers Ran Away with Both Games  
Yesterday and the Detroit Team  
Has Almost Clinched the Pen-  
nant.

Boston, Sept. 30.—The Boston Red Sox failed utterly yesterday in their attempt to stop the mad rush of the Detroit Tigers for the American league pennant, and as the Philadelphia Athletics won only one game of their double header with Chicago, Detroit is 24 points in the lead and is likely to keep it at the rate the team is going.

Four Boston pitchers couldn't puzzle the Tigers in the two games. Arslaness giving way to Karger in the first contest and Cicotte to Pape in the second. On the other hand, Killian, the Tiger twirler, had the Red Sox mystified, allowing but a single safe hit in the first game and doing so well that Manager Jennings sent him into the box for the second. The first game was 5 to 0 and the second 8 to 2.

Detroit plays another double-header with the home team this afternoon.

Constipation Should not be neglected. It shows that the important function of the liver is imperfectly performed. The best medicine to take for it is the mild, gentle and purely vegetable cathartic.

## We've Made a Discovery—Good Clothes!

THREE hundred years ago, Hendrick Hudson, an adventurous sailor, in a little ship called the "Half Moon," sailed up what is now the harbor of New York, and up the great river which now bears his name.

Two hundred years later, a hundred years ago, Robert Fulton, amid the jeers and ridicule of his fellow townsmen, who said he was a crank and couldn't possibly do it, made a voyage up the same historic river, from New York to Albany, in the "Clermont," the first vessel ever propelled by steam.

And now the country is celebrating these two historic events in a great pageant; the two clumsy little vessels, produced in exact size and appearance, are being saluted by a great fleet of warships, assembled from all the big navies in the world—and civic and military parades and commemorative exercises are being held in honor of these two historic events in the progress of civilization.

You're reading about it in all the newspapers. Meanwhile, we've discovered something, too. We've found that Hart Schaffner & Marx clothes are the best clothes made—that we can serve our fellowmen to best advantage by supplying these clothes. It's a discovery which a lot of others have also made—more men who dress well wear these clothes today than any other make and the number is steadily increasing.

You can join in this sort of a celebration—you can wear these clothes now—you don't have to engage in any voyages of discovery, nor endure the ridicule of your friends—you can be as well dressed as any man in America, at small expense of time and money, by coming to this store and getting into our new fall clothes.

Greys and blues are the leading colors for suits—the variety of patterns is almost endless. We have Overcoats also in many new fabrics and models—and want you to see them. Stylish Fall Suits and Overcoats as low as \$10.00. The strictly Hart Schaffner & Marx models from \$18.00 to \$27.50.

Ex-Cub Glad Chicago Team Is Eliminated from the Championship.

Kansas City, Sept. 30.—John Kling, former catcher of the Cubs, is pleased by the elimination of his former clubmates from the pennant. After he found that Pittsburg had clinched the pennant, Kling said:

"Well, I am tickled to death. That suits me exactly. At the beginning of the season was pulling for New York,

but I am glad Pittsburg won it and not Chicago. Revenge is sweet and I have got it."

Those hard night coughs of the children! What shall you give them? Just what your mother gave you, and just what her mother gave her! In some families, Ayer's Cherry Pectoral has been the only cough medicine for seventy years. Once in the children. Do as he says.
